

**DON'T GET INTO A FIGHT
WITHOUT SLUGGER®
IN YOUR CORNER!**

SLUGGER ULTRA 4.0

SLUGGER® is a brand that growers have trusted for decades, and now has a new and improved formula. The new SLUGGER ULTRA® has a smaller pellet allowing more points of contact per pound. Boasting up to 35,000 pellets per pound and a new attractant that will have snails in a feeding frenzy. Rest assured that the bait you are spending your hard earned money on will get

the job done. Unlike iron baits, SLUGGER ULTRA® will not harm precious earthworms, nor does it have to be ingested to control this devastating pest. Independent CA research has proven that 12.5 pounds of SLUGGER ULTRA® provides better control than 25 pounds of Deadline MP®. Deliver snails a knockout punch with the new and improved SLUGGER ULTRA®!

WHY SLUGGER ULTRA®?

- Pellet will not mold
- Pellet will not break down
- Excellent field visibility
- Uniform pellet size = even application
- Extensive research & development
- Superior attractant package
- Made in USA
